

Blue Mountain Lavender Farm
in the Walla Walla Valley

Lavender Craft Classes

*June 5 to July 15, 2016; open Sunday through Friday; closed Saturdays
Classes available most days and depend on weather
and availability of fresh lavender varieties*

Wreath Class — \$36 to \$44 per person

Create a colorful reminder of summer to enjoy in your home for years to come. We provide fresh lavender plus the necessary supplies and walk you through the making of a 12" or 16" lavender wreath, which you will then dry at home. This class is available for individuals or groups of up to six and takes 2 to 4 hours to complete, so please plan to start by 1 pm. You may wish to bring a lunch and beverage. Classes by arrangement — call or email to reserve your spot.

Lavender Wand Class — \$16 per person

Lavender Mini-Basket Class — \$18 per person

For each of these two similar crafts, you will start with a fragrant lavender bouquet and weave it in the old English tradition to create a wand or mini-basket. We provide the fresh lavender and your choice of colorful ribbon. We walk you through the project, which takes about an hour. This class is available for individuals or groups of up to eight, and can usually be completed by children age 10 and over. Classes by arrangement — call or email to reserve your spot.
